Remarks

(Remarks are not for responding to an office action.)

US 4,756,248, and US 6,129,976 were cited by the examiner in a related case (US 10/063,533), since the filing of the present application. In applicants' view these are not very pertinent to the present case but are nevertheless cited for completeness and to make of record all references that applicant has become aware of to date in connection with all related prosecutions in the US and abroad. US

6,431,073 is commonly owned and invented by applicants, and issued since the filing of the present application. It is provided to ensure a full and complete record.
